

2022!

Dear Parents/ Guardians,

RED NOSE DAY IS BACK!

There are millions of children living in poverty in the US and around the world, and our school wants to use the power of laughter to help!

That's why we've joined the Red Nose Day Joke-Ha-Thon to raise money to support children impacted by poverty. We will be writing, memorizing, and performing our jokes in our very own class comedy show, spreading some much-needed joy while helping others!

Here's how you can support our Fundraiser!

Help your child practice their jokes — everyone needs an audience! {The comedy show will be on

May 26th!}

- If you're able, donate to support our fundraiser to help children who need it most. You can donate directly to the link below or a cash donation can be sent to your child's teacher on May 26th.

Even a small amount can make a world of difference for a child in need:

- \$1 can provide nutritious food for a child
- \$3 can buy a warm, clean blanket for a young person facing homelessness
- \$5 can provide a child with remote or online homework help and mentoring
- \$5 can help pay for medical supplies for a doctor's visit on a mobile clinic

Thank you for helping us end the school year on a happy note with this uplifting and meaningful project!

Noses On!

Red Nose Day is an annual fundraising campaign to end the cycle of child poverty and ensure a healthy future for all children. Through the power of entertainment, we bring people together to laugh and have fun, while raising money and awareness to ensure all children are safe, healthy, educated, and empowered in the U.S. and abroad. Since our debut in 2015, we have raised over \$275 million and have positively impacted over 30 million children in America, and around the world.
